IN RE: COON RAPIDS MUNICIPAL COMMUNICATIONS UTILITY	DOCKET NO. 199 IAC 39.2(4)
---	----------------------------

ORDER DESIGNATING ELIGIBLE CARRIER

(Issued April 26, 2001)

On April 2, 2001, Coon Rapids Municipal Communications Utility (Coon Rapids) filed with the Utilities Board (Board) a request for universal service eligible carrier status in Iowa. Coon Rapids asks that the Board designate it as an eligible telecommunications carrier pursuant to 199 IAC 39.2(4). The subrule requires that a carrier, to receive support from the Universal Service Fund as defined by the Telecommunications Act of 1996, 47 U.S.C. § 254, must file a request using the Board's form and be designated as an eligible carrier by the Board.

The Board must determine that a carrier meets certain service requirements before it designates it as an eligible carrier. The requirements are:

- 1) Offer the services supported by the federal universal service fund;
- 2) Offer the services using its own facilities or a combination of its own facilities and resale of the facilities of another carrier;

- 3) Advertise the availability of the supported services; and
- 4) Offer the services throughout the service area of the designated carrier.

In its request for designation, Coon Rapids states that it satisfies each of the four requirements. Based upon that unopposed representation, the Board finds that Coon Rapids offers the services supported by the federal universal service fund, using its own facilities or a combination of its own facilities and resale of the facilities of another carrier. The Board finds that Coon Rapids advertises and offers the services throughout its service area, which will be its designated service area for purposes of the universal service fund.

IT IS THEREFORE ORDERED:

1. Eligible telecommunications carrier status is granted to Coon Rapids Municipal Communications Utility as requested on April 2, 2001. The designated service area for Coon Rapids Municipal Communications Utility shall be the service area established in its certificate of convenience and necessity.
2. The Acting Executive Secretary of the Utilities Board shall mail copies of this order to Coon Rapids Municipal Communications Utility, the Universal Service Administration Company, the Federal Communications Commission Universal

Service Branch, and the Federal Communications Commission Office of the
Secretary.
